WELCOME TO THE 'GREEN CARPET' EXPERIENCE

It gives us immense pleasure to usher you through what we call a 'Green Carpet' experience, because we believe that luxury needn't cost the earth. Embedded within Brigade Orchards - a 130 acre paradise, where the tranquility of nature blends with a host of thoughtful lifestyle features - green is more than just a colour here.

Come, experience a haven away from the humdrum of daily life and let all good things come to you on a platter.

IT'S AN AUTOGRAPH LIFE

What defines a signature is its distinctiveness. Just like personalities, no two signatures are the same. At Signature Club Resort, we have created a unique experience spread across 8,000 sq.mts. drawing inspiration from an ancient architectural design unique to the houses in Mangalore with red roof tiles and a household well. Nothing compares to the feeling that embraces you as you are cordially welcomed into the lobby that opens up to a beautiful two tier veranda resembling the branches of a tree. At the end of the veranda, you are pleasantly greeted by a beautiful alfresco area with lush lawns.

Signature Club Resort is built around the concept of being an all-access escape for the discerning few.
