

**COMEDY**

# Laugh out loud

**ONE** of India's most popular, and probably most seen comedians, Vir Das will now get on stage and talk about his life in his new show - Unbelievable. These stories will of course be absurd, crazy, and hilarious - this is Vir Das we're talking about after all! Now we don't know if the 'life stories' are true or not. That's up to you to decide, and perhaps for Das to confirm. Tickets are priced between ₹600 and ₹1,500.
