Director's Note

Dear Members,

Greetings from Brigade Hospitality!

As we step into the new year, I extend my heartfelt greetings to you and your loved ones. May the New Year unfold happiness, prosperity, and good health for all.

It gives me immense pleasure to look back at the year gone by — a year that has been both meaningful and memorable for all of us at Brigade Hospitality. One of our proudest milestones has been the successful listing of Brigade Hotel Ventures Limited (BHVL) on the stock exchange earlier this year. A moment that marks our steady growth and continued confidence in the hospitality sector. This achievement stands as a testament to the trust and support of all our patrons, partners, and well-wishers.

Equally close to our hearts has been our ongoing commitment to sustainability. We launched an ambitious Tree Plantation Drive – From the Saplings to the Sanctuary at the KIADB Brigade Project, where we aim to plant 1,00,000 trees across KIADB of Bengaluru. A step towards creating a greener tomorrow for generations to come. It is initiatives like these that help us stay true to our values of responsibility and stewardship.

Across our clubs — The Woodrose, Galaxy, Regent, Augusta, and Signature Club Resort, we have continued to enhance member experiences with upgraded facilities, refreshed spaces, and renewed energy. Each of our clubs stands as a reflection of the vibrant community that we have built together over the years.

2025 also marked a truly special milestone for us! The Woodrose Club celebrated 20 wonderful years! Two decades of warmth, camaraderie, and unforgettable memories. We take this opportunity to express our deepest gratitude to every member who has been part of this beautiful journey. Your continued patronage and faith have made The Woodrose not just a club, but a cherished part of so many lives.

As we look ahead to a brand-new year, our promise to you remains unwavering, to bring you enriching experiences, impeccable service, and spaces that nurture friendships, wellness, and joy.

On behalf of the entire Brigade Hospitality family, I wish you and your loved ones a year of new beginnings, boundless happiness, and shared celebrations at our clubs.

With warm regards and festive wishes,
Vineet Verma
Director – Brigade Hospitality

CELEBRATING 20 Years OF THE WOODROSE

Celebrating 20 Years With The Woodrose Team

Launched in 2005, The Woodrose proudly completed 20 successful years in November 2025. As one of the most sought-after club memberships in South Bangalore, nestled within JP Nagar's landmark development, Brigade Millennium, The Woodrose has continued to be a vibrant hub for community, recreation, and togetherness.

Over two decades on, the club remains committed to serving its members with the same enthusiasm and warmth as it did on Day One. To commemorate this milestone, members were presented with a timeless keepsake befitting the occasion—a Saregama Caravan curated with retro Kannada and Hindi classics, celebrating nostalgia, music, and memories that echo the spirit of The Woodrose.

Two Decades, One Journey of Leadership and Excellence

I joined Brigade Hospitality in 2003 as Manager Operations at The Woodrose Club, unaware that it would shape two decades of my life. What began as a role soon became a place that challenged me, shaped me, and felt like home.

I started with operations, moved briefly into sales, and eventually grew into the role of General Manager. Each responsibility pushed me beyond my comfort zone, teaching me valuable lessons and helping me grow.

The Woodrose was deeply woven into my personal life. My children studied next door at Brigade School, our home was close by, and the Club became part of our everyday routine.

I was fortunate to learn under strong leadership. Col. Malhotra laid a solid foundation in my early years, while the constant support of Mr. Vineet Verma gave me confidence to grow. Our Chairman Mr. Jaishankar, Managing Director Ms. Pavitra Shankar, and Joint Managing Director Ms. Nirupa Shankar led with vision and trust.

This journey was made possible by an exceptional team. Bina, Charu, Isaac, Chef Prakash, Suresh, Bhagirath, Sudhir, and many others consistently turned challenges into memorable experiences for our members.

Together, we built more than operations and events. We built relationships, memories, and trust.

Today, as I lead Clubs and Conventions, my foundation remains The Woodrose. I continue to stay connected with our members and visit whenever I can. Looking back on this 20-year journey, I feel only gratitude and pride.

Members Experiences

Our family has been using the Woodrose Club for almost 20 years, and it truly feels like a second home. We always bring our relatives and friends here when they visit, and they love it.

We enjoy every part of Woodrose, from the Melting Pot and swimming pool to the badminton court and especially the gym. We are very happy here.

Everyone, including Khan, Sanjay, Bhadrappa, Raagu, and many others, are courteous, friendly, and welcoming. We look forward to many more wonderful experiences.

Wishing you a very happy 20th anniversary and all the very best.

Mrs. Latha
Member at The Woodrose

I moved into Brigade Millennium in 2011, and it has been a great experience with The Woodrose. The management and staff are kind and cooperative, and whenever we have made any requests, they have always been ready to accommodate. Apart from the entertainment, the food at Woodrose is excellent. We often entertain our guests here, and they are always extremely happy with the experience. As we celebrate the 20th year, I wish Woodrose Club, the management, and the staff—all the very best for the future. Thank you.

Driving Community Impact

Brigade Hospitality's CSR initiatives over the past year reflect our continued commitment to community engagement and social responsibility. In June 2025, as a collective effort, we donated two Table Tennis tables to the children at Auxilium Navajeevana – Centre for Destitute Girls, bringing visible joy and excitement to their everyday lives. In November 2025, under our Cause of the Girl Child initiative, we partnered with the Dr. Sandhya Foundation to provide underprivileged girls with industry exposure in the hospitality sector through industrial visits to Signature Club Resort. One participant's aspiration to join our organisation led to her selection as an On-the-Job Trainee, and Ms. Bilinda was issued an offer letter for a six-month training programme at Signature Club Resort, marking a meaningful step towards empowering women and building an inclusive workforce. Continuing this spirit of giving into the New Year, January 1, 2026 was dedicated to celebrating with children and senior citizens, with Brigade Clubs distributing thoughtfully curated hampers and spending time at Aryan Ashray, Prasanna Jyothi Trust and NAMS Snehasadan, ensuring the year began on a compassionate and joyful note.

Stepping Into a New Era of Growth

Brigade Hotel Ventures Ltd reached a significant milestone with its successful public listing, marking an important step in the evolution of our hospitality business. The IPO, which opened on 24 July 2025 and closed on 28 July 2025, culminated in the listing of BHVL shares on the BSE and NSE on 31 July 2025—an achievement that stands as a proud moment for the organisation.

This move was driven by a clear focus on accelerating growth and building long-term value. As a wholly owned subsidiary of Brigade Enterprises Limited, BHVL enters this new phase with a strong foundation, comprising nine operational hotels and a promising pipeline of five additional properties across Bengaluru, Chennai, Kerala and Hyderabad. More than a financial event, the IPO represents a strategic leap forward in strengthening our position in the hospitality sector.

BHVL receives EDGE certification

Brigade Hotel Ventures Limited has achieved an important sustainability milestone with the entire hotel portfolio receiving EDGE (Excellence in Design for Greater Efficiencies) Green Certification from the International Finance Corporation (IFC). This globally recognised green building standard signifies that our properties have demonstrated measurable

improvements in resource efficiency, including reductions of over 20% in energy and water use, as well as lower embodied carbon through thoughtful material choices. The certification underscores BHVL's commitment to environmentally responsible development and operational practices, reinforcing our position as a leader in sustainable hospitality.

Flag Hoisting Etiquette – Republic Day

As we proudly hoist the National Flag on Republic Day, it is important to do so with the dignity and respect it deserves. Here are a few key etiquette guidelines to keep in mind:

- Ensure the National Flag is clean, intact, and made of appropriate material, in line with the Flag Code of India.
- The flag should always be hoisted briskly and lowered slowly and ceremoniously.
- The tricolour must never touch the ground, floor, water, or any surface below it.
- When displayed, the flag should occupy a position of honour and not be used as a decorative drape, costume, or table cover.
- The saffron band should always be at the top when the flag is hoisted vertically or horizontally.
- The flag should not be written on, altered, or used for any form of advertising.
- When the flag becomes damaged or worn out, it must be disposed of respectfully, preferably by burning in private, in accordance with prescribed norms.

By following these guidelines, we collectively uphold the honour and sanctity of our National Flag while celebrating the spirit of Republic Day.
